Dear Myra:

On behalf of the Aventa Board, Staff, and women and families in need of our services, thank you for your generous donation towards the purchase of a van for Aventa to support our Food Services department and Recreation Program.

Aventa Staff and clients are very excited about the purchase of the van; it is something that has become necessary step in being able to continue with our substantial cost savings offered through the Calgary Interfaith Food Bank.

Aventa has been planning to expand our Recreation Program for several years; the purchase of a van will allow us the opportunity to plan some off site activities such as hiking, cross country skiing and other day trips. Introducing clients to new areas of interest we will help to add to the success of our client's long term recovery. Aventa's Recreation Program will help teach women to replace their addictive behaviors by introducing them to healthier lifestyle choices.

Aventa truly appreciates the support we have received through the Canadian Progress Club Calgary Wild Rose. We look forward to providing your members with an overview of our programs and a tour of our facility.

I have enclosed the original copy of the signed agreement. If you need to contact me I can be reached at 541-4649 or at kturgeon@aventa.org.

Best Regards,

Kim Turgeon
Executive Director

A Healthy Life. A New Direction.
