Dear Ladies:

On behalf of the families we serve, thank you for your generous contribution of \$8,333. Your contribution will make an immediate difference to our security concern. With community support, Discovery House Family Violence Prevention Society has been able to provide services in the Calgary community for over 27 years, responding to the needs of families affected by family violence. Our agency was created in 1980 to provide women and children affected by violence with a safe place to heal and teach them how to break the cycle of family violence. Twenty seven years after opening our doors, the same core programs continue to be provided along with many others. Today, we welcome a maximum of 19 families for at least six months into furnished suites offered at a subsidized rental rate. Our core programs include the residential programs, outreach programs, child and youth programs, community connections and volunteerism.

Your support enables us to uphold our commitment to assist Calgary families move from a life of abuse, to one free of violence and safety within relationships.

If you require further information on Discovery House, please contact me at 204.6836 or at communityrelations@discoveryhouse.ca
